

Application to commence supervised practice

Type: **Endorsement for scheduled medicines - Pathway B**

Profession: **Podiatry**

Division 8 of the Health Practitioner Regulation National Law (the National Law)

This form is to be used to apply to the Podiatry Board of Australia (Board) to commence a period of supervised practice under Pathway B of the Board's *Registration standard: Endorsement for scheduled medicines*.

Applicants **must** have current general or specialist registration in order to undertake a period of supervised practice under Pathway B.

All applicants are required to lodge an application to commence a period of supervised practice and submit the following:

- evidence of having successfully completed 15 approved online case studies (completed not more than three years before), and

The Board's website contains information about:

- the approved qualifications in podiatric therapeutics for endorsement for scheduled medicines under Pathway B, and
- the process for assessing whether qualifications are substantially equivalent to, or based on similar competencies to, an approved qualification in podiatric therapeutics.

Incomplete applications may delay commencement of supervised practice.

You cannot commence your period of supervised practice under Pathway B until you have been advised in writing that the Board is satisfied you have met the prerequisites for supervised practice.

It is important that you refer to the Board's *Registration standard: Endorsement for scheduled medicines* and guidelines when completing this form. These can be found at www.podiatryboard.gov.au

This application will not be considered unless it is complete and all supporting documentation has been provided. Supporting documentation **must** be certified in accordance with the Australian Health Practitioner Regulation Agency (Ahpra) guidelines.
